

SCHEDULE OF PARTICULAR

General

- i) Contractors shall provide in the spaces provided on attached Schedules against relevant items the names of manufacturers, catalogue numbers if any, ratings, dimensions and all other details as relevant.
- ii) Entries such as "LOCAL MANUFACTURE", "TO BE ADVISED LATER", "TO SPECIFICATION REQUIREMENTS" or "TO B.S.S." shall not be entertained and if entered may render the Tender liable for rejection.
- iii) Where Contractors have entered the names of two manufacturers and/or, the works "OR EQUIVALENT", the Engineer's choice of the particular item shall be deemed to be final.
- iv) Where relevant, Contractors shall also attach Catalogues or Brochures for the various items; where such Catalogues or Brochures are not available test certificates or approval letters from the relevant authorities shall be provided to confirm their usage in this country.
- v) Claims by Contractors that equipment and/or materials have been used on other projects and as such that these can be deemed to be approved by the relevant authorities, shall not be entertained.
